

Cirrus SR20 GTS at Elstree

The Cirrus SR20 GTS provides private pilots with the luxury of a top sports car and is fast becoming popular with the Hollywood elite. London School of Flying is proud to offer G-JOHA for self fly hire by licensed pilots.

Our SR20 GTS is powered by the Continental 200 hp engine - a proven source of reliable, durable power, a fuel-injected, six cylinder engine with tuned exhaust.

Then you have the renowned Cirrus luxury, providing celebrity-like indulgence with an impressive exterior style from the chrome spinner to its elegant contoured lines: the SR20 turns heads wherever it lands.
